## KDS / Fixing for thick-layer facades

SKU	Bar code	Fixing	Insulation thickness
ALB-KDS-100	4751023406879	With nail	40 – 50 mm
ALB-KDS-120	3830010111352	With nail	50 – 60 mm
ALB-KDS-140	3830010111369	With nail	70 – 80 mm
ALB-KDS-160	3830010111376	With nail	90 – 100 mm
ALB-KDS-S-180	3830010111307	With screw	120 mm
ALB-KDS-S-230	3830010111383	With screw	140 – 180 mm
ALB-KDS-S-205	3830010111314	With screw	145 mm
ALB-KDS-S-255	3830010111406	With screw	180 – 190 mm
ALB-KDS-S-280	3830010111390	With screw	190 – 230 mm
ALB-KDS-S-305	3830010111413	With screw	230 – 240 mm

### Application:

For fixing insulation boards on thick-layer facades.

### Properties:

- A metal mounting plate that provides even straining of reinforcing wires.
- A plastic washer enhances the deviation between an insulation board and a reinforcing wire.
- A metal zinc cold galvanized coil nail/screw and a washer provide a long-lasting lifespan of the facade and corrosion-resistance.

### Technical data:

Fixing diameter	8 mm
Head diameter	60 mm
Mounting plate size	43 x 43 mm
Anchoring depth	50 mm
Quantity per package	200 pcs.

### Accessories:

	SKU	Bar code
 <b>Metallic mounting plate</b>	ALB-KDS-K-ombi	38300101110089
<b>Plastic mounting plate</b>	ALB-KDS-O60	38300101110539

Manufacturer: F. Leskovec d.o.o. - Šentjošt 16, 1354 Horjul, Slovenia

Distributor: Albau SIA – 20k-1-14, Talivalza street, Riga, LV-1006, Latvia, Reg.No. 40103561205
