

Texture gun & Hopper

Professional Hopper Gun for exceptional support and control when spraying ceilings, walls and floors.

Advantages:

- Exclusive no-tools hopper clamp;
- **Durable spray gun** - solid, one piece composite design;
- One of the lightest guns in the industry;
- **Comfort grip:**
 - provides balance and comfortable hold when spraying ceilings;
- **Handles on both sides:**
 - for maximum control when spraying walls or ceilings;
- **4 color-coded spray nozzles:**
 - no tools required;
- **Versatile** - use with Hopper gun or Graco texture sprayers;
- **Smooth trigger pull** with trigger locking mechanism:
 - reduces on-the job fatigue;
- **Triger pull adjustment:**
 - Controls material flow out of the gun to achieve different finishes;
 - Full range trigger for greater comfort and control - regardless of adjustment;
- **Air adjustment** - ball velve design provides precise air control.

Technical data:

Product code	EAN	Capacity	Size of nozzles (mm)	Air flow	Air working pressure, Max	Weight
GR245924	633955883291	5.7 liters	4, 6, 8, 12	100-320 liters per min.	7 bar	1.6 kg

Air gun set includes:

- 5.7 l hopper;
- Reinforced nylon spray gun;
- Exclusive, no tool hopper clamp;
- 4 color - coded spray nozzles - 4 mm, 6 mm, 8 mm, and 12 mm.
