3111000		3289553111006	84778095

APPLICATIONS

Professional hot wire E.W.I. cutting table for insulating panels, EPS and XPS foams, polystyrene.

Ready for a clean, projection-free cut in seconds with the push of a button.

- With hot wire foot pedal: keeps hands free to move the board being cut
- With scaffolding option: ergonomically designed for reduced wind resistance at height

TECHNICAL DESCRIPTION:

- Comes in a transport case with wheels
- Maximum cutting dimensions: 1370 x 330 mm
- Ref 3113000: Spare hot wire
